AVERAGE JOE'S PILLARS OF LEADERSHIP: DEFINING CHARACTERISTICS OF LEADERSHIP (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. How To Develop The Leadership Characteristic Already Within You Leaders change the world. Leaders inspire others. Leaders live their passion Vision Knowing what you want and where you are going is vital. The next step is picturing, in your mind, exactly what you want down to the smallest detail. However, the most important piece of the puzzle is your WHY - the reason you want whatever it is you want. Without that it's game over. Courage You may have your purpose, but do you possess the guts to tell the world and follow it through. Courage needn't be loud and aggressive, more often it's a voice in your mind which compels you to keep trying. Integrity Are you honest? Do you speak what you believe? Do you set the example for others to emulate? Are you a person of their word? Are you committed to becoming more than what you already are? Did you answer yes to all the above? Integrity is built upon these questions, leadership is built upon integrity. Humility The initial response to leadership and humility brings up images of oil and water - they cannot go together. On a second look you will find humility running through every great modern day leader. The role of a leader is to serve the people following them. Can you think less of yourself and more of others, to best meet their needs? It's not as easy as it sounds. Self Discipline If you cannot control yourself you will NEVER have the control of others. You will never be able to keep a team around you who complement your strengths and enhance your weakness. Without those people the dream is just that, a dream, and...
